RE :

*** Please *FAX* ALL of the following available information:**

In compliance with HIPAA we require you to fax all information, not email.

- Renal US (or send copies of imaging)
- Chem10
- UA Urine Calcium
- Urine Creatinine (at least)
- Preferred would be 24 hour urine collection for stone-risk profile
- Copy of Insurance Card (Front & Back)
- Referral or Prior Authorization
- Please have family bring copies of films

The requested information must be faxed to our office **at least 2 weeks prior to the appointment or it will be rescheduled.

NOTE: This is for routine appointments. If your provider sees the need for a more urgent evaluation, please have the provider call the Physician Access Line (505-272-2000) and speak with the Pediatric Nephrologist on-call.
