The UNMH Women’s Health Clinic offers classes for parents having a baby. These classes help you get ready to have your baby. They also help you learn how to take care of your baby. All classes, except for one, are only given in English. All classes are free.

Getting Ready for Childbirth: Six-Week Class
This six-week series will help you get ready for a good labor and delivery. These classes teach “Lamaze” and other methods. We talk about the birth of the baby and many other things. If this is your first baby, these classes are for you!

Some things we cover in the class are:
• Breastfeeding
• How to breathe during labor
• Labor and pushing positions
• How to relax, and how to do massage to help with pregnancy and labor and some ways to manage pain
• Labor and Delivery and Mother/Baby Units Tours

Getting Ready for Childbirth: One-Day Class
We offer a quicker class for you if you are late in your pregnancy and don't have time for the six week class. This class is also good if this is not your first baby.

Some things we cover in the class are:
• How to breathe during labor
• Labor positions
• How to relax during labor
• Some ways to manage pain
• Labor and Delivery and Mother/Baby Units Tours

Childbirth Review: Two-Week Class
This class is for mothers who have already had a baby. It gives you a quick review of what happens during labor and delivery. We cover things like how to breathe and relax during labor, massage, labor positions, and how to manage pain. The class includes a hospital tour.

CHILDINGH BIRTH CLASSES

Getting Ready for Childbirth: In Spanish
This three-hour class covers most of the same topics as the longer English classes, except how to care for the new baby. Classes are held at the North Valley, South Broadway, and South Valley Maternal and Family Planning clinics. Call promotora Irma Figueroa at (505) 272-5445 to sign up.

Childbirth Hospital Tour
These tours are for people who don’t plan to take a childbirth class. You will see the OB Triage, Labor and Delivery, and Mother/Baby units at UNMH. Tours offered once a month in English, Spanish, and Vietnamese.

Breastfeeding and Baby Care Class
This class is for parents who already have children. It is a review of breastfeeding and baby care. This class also covers things like diapering, bathing, sleeping, swaddling and breast care. Breastfeeding experts talk about:
• How to get started
• Feeding positions
• Skin to skin contact with your baby
• Latching-on
• Nipple confusion
• Breast pumping
• The benefits of breastfeeding

Childbirth Classes

When should I start a class?
You should start classes at the end of your 7th month of pregnancy. Please sign up early. These classes may fill up fast.

I am pregnant with my second child. Should I still take childbirth classes?
Yes. The “Childbirth Review” and “Breastfeeding and Baby Care” classes will help parents who already have children get ready for the new baby.

Can I bring more than one person to class with me?
Yes. You can have one to two partners in the class.

Can I bring my child/children with me to class?
Please do not bring your children. There is not a lot of space in the classrooms.

Where are the classes held?
All classes except for the classes in Spanish are held at UNMH in the main building’s 2ACC Learning Center. It’s a meeting room on the second floor in the old part of the hospital, by the snack bar. You need to sign up for the class you want to take before the class begins. You can call 272-2245 for directions and what to bring to class.

Do I need to sign up?
Yes, you need to sign up before the class starts. Call (505) 272-2245 to sign up or to find out more about the classes. Or you can fill out the form in this brochure and fax it to us.

Questions? Call us!
