Student Guidelines:

Facility: Level I Trauma Center, teaching hospital

Clinical Practicums: 20 hours/week

Clinical Internships: 35-40 hours/week

Rotation Requirements:

- Spring and Fall semesters - 15 weeks commitment
- Summer semester - 12 week commitment

Patient population: Inpatient and/or outpatient, all ages (See website under services for further details)

Application for Student Placement:

Two students will be selected each semester to complete practicums or internships at UNMH. Placements are competitive. Interested students should send a resume to anortiz@salud.unm.edu for consideration. Student selection will be based on review of resume and interviews will be scheduled for selected students. We are currently not accepting applications from out-of-state students. The type of placement and semester deadlines for application are as follows:

- **Fall 2016:** Resume must be received by June 1, 2016
  - Outpatient adult placement
  - Inpatient pediatric placement
- **Spring 2017:** Resume must be received by October 1, 2017
  - Outpatient adult placement
  - Outpatient pediatric placement
- **Summer 2017:** Resume must be received by June 5, 2017
  - Outpatient pediatric placement
  - Inpatient adult placement

Prerequisites:

- Enrollment in an accredited graduate-level speech pathology program
- Completion of medical speech pathology coursework (dysphagia, voice, neurology, motor speech disorders)
- Current CPR certification and PPD (TB testing)
- Completion of HIPAA competencies

Observation students: Accepted periodically when able.
